**AB Dynamics plc**  
(“ABD” or the “Group”)  
**Pre-Close Trading Update**

AB Dynamics plc (AIM:ABDP), a designer, manufacturer and supplier of advanced testing systems and measurement products to the global automotive industry, announces a trading update for the year ended 31<sup>st</sup> August 2014.

**Trading Performance**

Following the end of our financial year, the board is pleased to announce that the Group’s results for the 12 months ended 31<sup>st</sup> August 2014 are expected to be in line with market forecast.

The Group continues to maintain a strong balance sheet with no net debt and cash available to invest.

As previously disclosed the Company has added an additional 3500 ft<sup>2</sup> of new manufacturing space to meet demand and remains well positioned with its plans to develop a new manufacturing facility in order to satisfy the Group’s growing order book.

**Summary and Outlook**

The Group continues to maintain a strong pipeline of work with the order book taking us beyond the first half of 2015. Demand remains strong and gives the Board confidence for the future.

Following the Group’s maiden interim dividend, the Board expects to recommend a further dividend payment in respect of the full financial year.

**Notice of Results**

The Company’s audited full year results will be announced on or around the 13<sup>th</sup> November 2014.
